Please Initial The Following:

_____ I agree that my enclosed non-refundable deposit is reserving my selection of a quarter, half or whole beef and that the balance I owe will be due in full, in cash or check left at the processor or online with a credit card before the beef is picked up at the processor. Beef must be paid in full before it leaves the processor.

_____ I agree that it is my responsibility to pick up my beef at the processor in a timely manner within 14 days of being notified that it is ready to pick up. Beef not picked up within 45 days may have the non-refundable deposit forfeited and could be sold to the next buyer on our reservation list unless it is paid in full with a credit card and storage arrangements have been made at the processor.

_____ I agree that my final balance due is determined by the beef animal's hanging weight and could vary depending on the size of the animal. I fully understand that Hagemann Beef will inform me of that hanging weight and the corresponding balance that I owe once the animals have been sent for processing, but prior to the availability of pick up.
